

## President's Message by Linda Anderson

---

Welcome to Spring!

Not often that spring is here before the end of February but maybe it will be a reminder that our spring Woodworking Show is scheduled for April 23<sup>rd</sup> and 24<sup>th</sup>. **Please get your requests for display tables in as soon as possible AND get your projects ready for the Show.**

In February we had an interesting session learning about the best methods for sharpening knives and gouges. Here are a couple of pictures of Bob Dawson demonstrating to an interested crowd. More pictures are up on the website [www.reginawoodcarvers.ca](http://www.reginawoodcarvers.ca)

We also heard from Dale Lowe and Bryan Milne from the South Saskatchewan Woodturners Guild, who described their Woodturning Symposium, to be held July 22 to 24, 2016. There will be several artists demonstrating, including champion bird carver Cam Merkle. Contact Bryan at [jbmilne@accesscomm.ca](mailto:jbmilne@accesscomm.ca) for further information.

Regina Whittlers and Woodcarvers regular meeting is on Thursday, March 10<sup>th</sup>.

Let's use our time together really well. Bring along a project that you are working on and the tools you need. I'm sure we can talk about the club's business without being so distracted that we have a knife accident. There also should be time for "show and tell" and for sharing questions and advice. I hope to see lots of people and the art that everyone is creating!
